

Instructor: Andrew L.

MODERN CLASSROOM CERTIFIED TRAINER (MCCT)

Course #: L4003OD

STARTING AUGUST 1, 2019 ON DEMAND

course description

The Modern Classroom Certified Trainer (MCCT®) training and certification program prepares instructors at all levels of experience for all aspects of delivering a course using the latest training technologies and approaches.

This course will help you prepare for all aspects of delivering in the modern classroom, including the art of facilitating a learning event, class preparation techniques, course delivery in various modes including asynchronous and virtual delivery, and troubleshooting the technology required in the modern classroom.

Objectives:

Help students prepare for the Logical Operations Modern Classroom Certified Trainer (MCCT) Exam MCC-210.

- Introduce the Modern Classroom, Facilitating a Learning Event, Delivering a Modern Training Event, Preparing for Delivery, Troubleshooting the Modern Classroom.

Looking for more details? [Visit our website](#) for a detailed course description.

how to enroll

Enroll online at our website, CFTEA.org under Learning and Development.

how class works

Work at a time that is convenient to you. Course sessions are available for a month by completing course work and video recorded sessions through a computer. Students complete homework and mini-presentations to display a solid grasp of the material.

tuition

\$399 per participant for access to on demand training, assessments, materials and exam.

withdrawal policy

CFTEA withdrawal policy is outlined within our latest catalog and on our website. Before class begins the enrollment may be transferred to another student with the approval of the student's employer and the CFTEA office.
