

NAME: _____ Month/Day of Birth: ____/____

Organization: _____

Email address: _____ Tel# _____

Agile project management practices have become the standard for software development projects. More recently, Agile has grown beyond software projects as more and more companies adopt Agile concepts and methodologies. Individuals who have a solid understanding of Agile have a distinct advantage in today's changing project management atmosphere. The courses included in this certificate program will provide managers the basic foundation they need to become competent Agile practitioners. The program introduces the learner to the basic methodologies, practices, and key concepts of Agile and enables the learner to explore, through case studies, many of the common challenges of working on an Agile team.
