

NAME: _____ Month/Day of Birth: ____/____

Organization: _____

Email address: _____ Tel# _____

This curriculum introduces professionals to craft the story about their work that they want people to hear and understand? Regardless of where you are in your career—looking to achieve the next level as a professional trying to show value to an organization with a leadership narrative is critical. It clearly communicates a professional’s unique value brought to an organization, while identifying goals, strategies and a roadmap to success.
