

**COVID-19 Update:** The majority of our coursework is 100% online to protect our instructors and students. Any live classes maintain appropriate social distancing and locations with CDC cleaning standards.

This semester continues to see changes in education approaches from grade school to college. CFTEA is prepared to help you continue your career goals uninterrupted.

## Highlighted Courses

Organizations must innovate to thrive in today's highly competitive marketplace and they need employees who can channel their creativity and innovation toward organizational challenges and goals. Earn the **Creativity and Innovation Certificate** by completing the following courses.

### [Introduction to Critical Thinking](#) FREE—(Reg. \$95)

Critical thinking may be the single-most valuable skill that one can bring to any job, profession or life challenge.

### [Personal Creativity](#) FREE (Reg. \$79)

Stimulate creativity and tap into personal creativity and apply it to organizational challenges.

### [Creativity in Teams & Organizations](#) FREE (Reg. \$79)

Drawing from the latest academic thinking, examine key factors for innovative teams.

### [Innovation in Teams & Organizations](#) \$79

Innovation can make or break an organization in terms of its ability to win and keep customers. This course reviews the latest academic thinking on innovation, explores idea champions and covers case studies of successful innovators.

## spotlight.

Getting the opportunity to learn in an online, education environment is one of the best experiences. Using today's technology, we are able to provide you the high-quality, online experience that can be completed from the safety and comfort of your own home.

## WE LISTENED

### We are helping manage your inbox!

The number one piece of feedback to CFTEA is too many e-mails. To assist, we have requested that our webinar vendor no longer send e-mails on our behalf. All webinars are still available and may be found at our website—we just won't be sending you seven or more emails daily!

[Our webinars updated monthly are found here.](#)

As of this Insider, the CFTEA office only sends students a bi-weekly email on upcoming courses and important opportunities. Make sure to check for our logo to make sure you are working with us.

### Are You Ready?

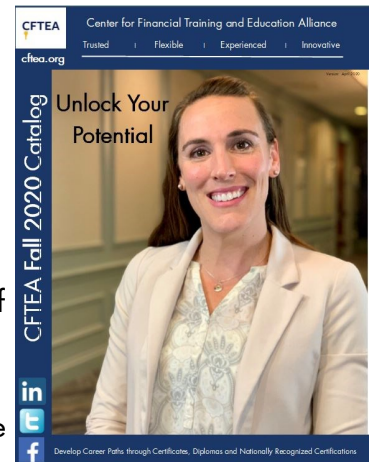

Throughout the year, check your course progress with our office to meet the **May 31, 2021** completion date to receive recognition for your hard-earned certificate, diploma or certification.

### Summer-Fall 2020 Catalog Released!

To better support the upcoming semester, CFTEA is pleased to announce the release of our new catalog in an easy to read format with hyperlinks that take readers directly to

course descriptions and additional information. Options for safe, distance learning that contribute to earning certificates, certifications and diplomas are clearly provided along with details on our ever-expanding [educational career paths](#).

**2020 - 2021  
Registration is  
open.**

**Launch the next phase in  
your career with new  
educational career paths.**
